Disclaimer

Information has been carefully checked and is believed to be accurate; however, no responsibility is assumed for inaccuracies.

The ABC DI-kits contain all the Prins specific parts for the installation, in some cases it can be miscellaneous parts are needed to complete the installation. Check the installation manual for all information for the specific vehicle you will be converting.

It is possible that not all listed DI systems are available in your country, consult your Prins Distributor for additional availability information.

| | |
|-----------------------|---|
| Brand | Car brand |
| Model | Car model |
| Variant | Model variant |
| System type | DI system type |
| Model code | Type number |
| Engine | Engine displacement in cc |
| Year | Construction/model year |
| 10th digit VIN | 10th digit of VIN number which represents construction year |
| Tank | Tank volume of LPG tank |

| | |
|---------------------|---|
| Transmission | Gearbox |
| Engine code | Official engine code |
| Petrol ECM | ECM type/manufacturer |
| kW | Power output engine |
| Euro | Emission level |
| Article no. | Prins part number |
| Gross price* | Basic gross price of kit, excluding high pressure fuel pump |
| R115 set | R115 certificate available, but not always complete installation manual |
